

Union Christian Day School Half-Day Intent and Permission Form

All parents with a student 7th grade or higher must complete this form.
Please note that the decision to pick up your child at 11:45 is binding for the entire first semester.

I intend to:

1. pick up my student(s) every day at the end of school
2. keep my student(s) more than one day a week in after school care
3. pick up my student(s) every day at 11:45.

If you selected option 3 please fill out the following form.

I (parent/guardian name)_____ give permission for
(student name)_____ to leave UCDS every day at 11:45.
I understand that this is only an option this school (2020-21) year because of increased safety concerns due to COVID-19 and is not a regularly occurring privilege. I am agreeing to pick up my child or send someone on the approved pick up list on file to pick them up every day at 11:45. I understand that once the student leaves the property their safety and well-being are no longer monitored by UCDS, and UCDS cannot be held liable for their actions, whereabouts, or safety.

I have read the above and agree to the requirements listed.
